

Serving school children in Blackpool, Fylde & Wyre since 1995

BSYW PRAYER LETTER JUNE/JULY 2025

Thank you all for your continuing support and prayers. Praise God, His work is flourishing, and we've enjoyed a very busy and joyful April and May, sharing about the peace Jesus gives us. Please continue to pray that our Lord will give His peace to our precious local children.

This coming half-term, we are launching a new assembly and inviting the children on 'The Greatest Treasure Hunt'. Jackie and I have planned a fun, interactive time for the children where they will think about things of great value. Of course, we will share with them that Jesus is the greatest treasure ever! He is precious to us and we are precious to Him! Jesus teaches us that: "The Kingdom of Heaven is like a man looking for fine pearls. One day he found a very valuable pearl. The man went and sold everything he had to buy that pearl." Matthew 13:45-46. Praise God, we have over 3,200 local children booked in for these assemblies. Please join us in prayer that the children will start their very own 'Greatest Treasure Hunt', and that they will find Jesus and the Kingdom of Heaven.

The Year 6 children are getting ready to start secondary school in September. We have journeyed with them through Primary school, prayed for them as they faced the challenges of the SATS tests, and now we are going to encourage them as they prepare to move on. We are sharing the brilliant Scripture Union 'It's Your Move' guide. It is full of tips and advice to help the children. We have invested in some fun new props and updated our lesson plans to make the sessions as engaging and helpful as possible as, most importantly, we point to Jesus and share our faith with the children. Praise God, 7 new schools have booked with us this year. This means that approximately 680 local children will be reminded that Jesus is ALWAYS with them, that He loves them and is powerful to give them peace in every situation.

Jackie, Mandy, Jenny and Judy continue their work in Highfurlong, sharing the love of Jesus with the wonderful children there.

Amanda and I are also launching 'Walk Through the Bible New Testament' to 60 children, and Dave and Linda have 60 children booked for 'Walk Through the Bible Old Testament'.

As you can see, God is so good! We thank Him for the Good News of Jesus and we praise Him that we are able to share this Greatest Treasure with the next generation.

Please contact us if you'd like us to share more with you in your church services and groups. We always enjoy being able to encourage you with our experience of God at work in our local schools. Thank you so much for all you do for this vital, local mission.

May God bless you,

Helen Lewis (BSYW Charity Director) helen.lewis4bsyw@yahoo.com
